“ This summer for me was awesome. Working with LBE made it even better! ”
- Trysttin, summer staff

Summer Day Camps

We are so grateful for the donations and prayers that made this summer possible! We were able to bring kids from elementary to high school out of the city on some great adventures, including Oak Hammock Marsh, Bird's Hill, Deer Meadow Farm, Morning Sound Farm, St Malo, and more!

Family Beach Days

We had such a blast with families at Bird's Hill Beach, or when it rained: the pool. It was an amazing time for parents and guardians to connect with their kids, playing games, eating, building sandcastles, on the playground, or swimming. As some of our families have no transportation options outside of taxis and taxi alternatives, we know they were blessed by a day at the beach!

“ My favorite part of the summer was seeing the kid's joy after they got the opportunity to experience something new. It was so cool being able to share their joy and excitement. ”
- Anna, summer staff

Staff training

Seven local teens from Winnipeg joined us this summer to minister to inner city families! Camping together at St. Malo, worshipping, praying, and practicing ministry tools brought us close together as a team! One memorable night included a severe rain shower that meant we all packed into our 24 passenger bus, where we worshipped and shared testimonies while it rained and poured outside. We were all a little damp, but our hearts were full!

Overnight camping

Middle schoolers, teens, and families joined us at St. Malo for some tenting fun! We loved eating and laughing together. We loved how God moved in campfire chapel and ministry times, and are so grateful for His Presence with us! We are also grateful to Wilderland Adventure Company for making these trips happen.

After praying and discerning the role of LBE in the West End with our current staffing, we are excitedly moving forward in a way that we feel the Lord guiding LBE. With this, we have made the difficult decision to cut our evening programming with grades 1-6 as we feel God is leading us to focus more of our time and energy on our grades 7-12 students this year. Please continue to pray with us for more staff, including a children's pastor.

VOLUNTEER INFO NIGHT

WEDNESDAY, SEPTEMBER 20

600 BURNELL STREET

7:00PM

LBE is looking for Jesus-loving individuals to serve the youth and families of Winnipeg's West End.

Shannon came on staff in October 2018 as the Director of Children's Programs. She served faithfully in all of LBE's programs and events, acting as a driver, chef, graphic designer, volunteer coordinator, custodian, and youth leader. She also lent a hand in marketing, communications, and LBE's website, and filled in the leadership gap during LBE's search for an Executive Director (still ongoing). She considers it an honor to have worked with co-missionaries and staff Miranda

Rusere and Ashley Ginter, as well as countless amazing volunteers, and to have served the children and families in Winnipeg's inner city. Shannon recently moved to California to be trained as a revivalist.

A father to the fatherless, a defender of
orphans and widows, is God in his holy dwelling.
